To Whom It May Concern:

It is with great pleasure that we extend an invitation to you to participate in an exclusive session organized by the Association Montessori Internationale during the upcoming [United Nations Climate Change Conference](#) in Dubai, United Arab Emirates.

**Event Details:**

- **Date:** Saturday, December 2
- **Time:** 3:00 – 4:00 pm GST
- **Venue:** Room Al Katatib, Green Zone, UN COP28

**Session Theme: Montessori Climate Education in Action**

This session promises an enriching exploration into the integration of environmental sustainability within Montessori education. The [Association Montessori Internationale](#), in collaboration with Montessori Norway and Montessori for Kenya, will present a holistic, evidence-based, and sustainable green approach rooted in Montessori principles. This approach spans age groups from 0 to 18 and is applicable across diverse cultural and geographical contexts.

**Key Highlights**

- **Innovative Curriculum Integration:** Discover how the Montessori approach seamlessly incorporates environmental consciousness into its curriculum.
- **Successful Implementation:** Learn from spotlighted best practices that showcase the positive impact of fostering a deep understanding of nature's interconnectedness.
- **Collaboration with Governments:** Understand the crucial role of collaboration with governments and indigenous communities in implementing government-recognized Montessori curricula.

We believe that your presence at this session will contribute significantly to the ongoing dialogue on climate education and sustainability.
