

# Climate Education in Action: Norway and Kenya Perspectives

2<sup>nd</sup> December at 15.00 -  
16.00 in Room Al Katatib

## UN COP28 Session:

The Association Montessori Internationale, in collaboration with Montessori Norway and Montessori for Kenya, will showcase good practices of the Montessori approach in different settings, cultures and backgrounds. Specifically, the Montessori principles, which can be adapted to any environment and support the development of the child who can in turn be an agent of social and environmental change.

## Our Approach:

Community-Based and Sustainable

Adaptive, Holistic and Collaborative

Focused on the Rights of Children and Elders
