

# The AMI Montessori School Administrators Certificate Course Thailand 2022

## Course Description

The AMI Administrators Certificate is a comprehensive administrators' training designed to support and deepen your understanding of school leadership within a Montessori context. It is ideal for new administrators or aspiring school leaders as well as experienced principals. The course will be delivered by AMI approved educators who are highly experienced school administrators. Includes presentations, discussions, breakout groups, role-playing and observations in Montessori environments.

This course will provide you with the skills, knowledge and understanding of:

- *Core pedagogical principles*
- *How to build a healthy school community*
- *Strategies to support children, staff, parents and board*
- *Strategic planning*

## Award

AMI Montessori School Administrators Certificate

## Qualification Authorising Body

The Certificate is awarded by the [Association Montessori Internationale](#) (AMI) and does not form part of the Australian Qualifications Framework.

AMI is a worldwide leader in Montessori education. Its certified training is acknowledged for its rigour and authenticity and the Certificate is internationally recognised.

The Certificate does not automatically qualify the holder to hold the position of principal in a Montessori school. The state or country in which the Certificate holder wishes to work may have other requirements that must be fulfilled.
